### Expert Reviews:

Edmunds.com: The 2011 Toyota Corolla compact sedan rides well and should be reliable.

newCarTestDrive.com: A four-door, compact sedan with front-wheel drive, the Corolla is inexpensive to buy and operate, yet it feels like a small version of the midsize Toyota Camry.

KBB.com: Along with its new styling, the Corolla will rely on its time-tested strengths, a formula that combines great fuel economy, a pleasant ownership experience and a no-nonsense design.

CarAndDriver.com: The Corolla is like a shrunken Camry in terms of its reputation for quality, its refined demeanor, and its no-fuss operation.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
