JDPower.com Ratings:

- Predicted Reliability Rating

Expert Reviews:

Edmunds.com: Roomy cabin, extraordinarily refined and fuel-efficient V6, quiet and cushy ride, excellent crash test scores.

newCarTestDrive.com: The Camry has earned a reputation for smart design, pleasing function, great build quality and long-term durability. It's not all hype. The Toyota Camry remains the benchmark by which its competitors are judged.

KBB.com: Largely due to its solid reputation for quality and reliability, Toyota's midsize Camry has been the best-selling car in America for eleven of the past twelve years.

CarAndDriver.com: Whether it's a base model or deluxe XLE, the four cylinder or V-6, the Camry delivers spacious comfort and a stress-free ownership experience.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
