Expert Reviews:

Edmunds.com: Wide variety of body styles and trims, engines offer good balance of power and fuel efficiency, excellent off-road ability, impressive build quality, well-appointed interior.

newCarTestDrive.com: The Double Cab delivers more rear-seat comfort than most of the competition, with enough room to rival a small sedan. Properly equipped V6 models can tow up to 6,500 pounds.

KBB.com: Getting into and out of the 2010 Toyota Tacoma is easy, and the firm seats are designed with pleasant bolstering and adjustability to fit most body types and sizes.

CarAndDriver.com: Toyota quality and reliability without the boring; drives well with a good ride; you can get it the way you like it.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
