Expert Reviews:

Edmunds.com: Frugal with gas; comfortable ride; attractive interior; hatchback's available multifunction rear seat.

newCarTestDrive.com: Around town, the Yaris excels as a runabout, dashing about wherever you need to go, with agile handling and the sort of responsive performance useful in heavy traffic.

KBB.com: The Yaris has gained in popularity and, although it remains the smallest and least expensive vehicle in the Toyota brand line-up, it is still packed with value.

CarAndDriver.com: A space-efficient body and decent trunk make the Yaris practical.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
