Expert Reviews:

Edmunds.com: Strong and relatively fuel-efficient engines; capable handling; clean interior design with high-quality materials; top safety scores; excellent seats; plenty of high-tech features.

newCarTestDrive.com: Their excellent dynamics and agility make them assertively proactive and manageable when faced with the necessity of an emergency avoidance maneuver, making them excellent family sedans.

KBB.com: While the majority of its competition tend to lean in a particular direction when it comes to comfort, performance and practicality, the 2013 BMW 5 Series offers equal quantities of all three, even in base form.

CarAndDriver.com: The look and feel of the larger 7-series, capable performer, strong engine choices, superb eight-speed automatic, available manual transmissions.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
