### Expert Reviews:

Edmunds.com: The front-wheel-drive Acura TL combines dramatic style, a powerful V6 engine, a responsive chassis. Just as important, the TL offers an extensive complement of the latest electronic features, making the driving experience more entertaining and more enjoyable as well as faster and safer.

newCarTestDrive.com: The front-wheel-drive Acura TL combines dramatic style, a powerful V6 engine, a responsive chassis. Just as important, the TL offers an extensive complement of the latest electronic features, making the driving experience more entertaining and more enjoyable as well as faster and safer.

KBB.com: Fast, fun, comfortable and convenient, the TL is arguably the category's most well-rounded entry and almost certainly its best value.

ConsumerReports.org: The redesigned Acura TL provides an excellent blend of comfort, convenience, and sportiness. It delivers taut, agile handling and the quickest acceleration and best fuel efficiency of this group. We also liked the impressive interior, comfortable ride, and quiet cabin.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
