Expert Reviews:

Edmunds.com: Good fuel economy; wide variety of engines and transmissions; comfortable and well-built interior; available coupe body style.

newCarTestDrive.com: The stiff chassis gives the Civic a solid and planted feel, with impressive stability and responsive steering, while the relatively long wheelbase smoothes the ride.

KBB.com: Long considered the standard by which all other compacts are measured, the Civic is able to lure buyers thanks to its impressive fuel economy, unrivaled reliability and repair history and class-leading resale values.

CarAndDriver.com: The interior is spacious, the build quality is that of a more expensive car, and there is a wide range of trims to suit every budget.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
