### Expert Reviews:

Edmunds.com: Improvements abound for the 2011 Dodge Avenger. It's finally competitive in a segment chock full of good choices.

newCarTestDrive.com: Dodge engineers aced the suspension, upgrading 26 of 30 bushings and improving other things. When we drove the Avenger, we found ride quality and cornering response excellent.

KBB.com: If you're brain says "Charger" but your wallet says "used car," the 2011 Dodge Avenger may be your knight in shining armor. Its bold styling, great handling and affordable price will satisfy both your enthusiast and economical sides.

CarAndDriver.com: Dodge is installing dynamic updates for 2011, as well as interior upgrades, which will make the Avenger more appealing.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
