### Expert Reviews:

**Edmunds.com:** In government crash tests, the Avenger earned a top five-star rating for its performance in head-on collisions. The Insurance Institute for Highway Safety awarded the Avenger a score of "Good" (the best possible) in its frontal-offset and side-impact tests.

**newCarTestDrive.com:** The Dodge Avenger will reach out to those buyers looking for something different in a huge part of the market that offers a lot of sameness: front-wheel drive, four-cylinder or V6 engines, around 100 cubic feet of interior space, navigation, satellite radio and lots of interior storage spaces.

**KBB.com:** Offering bold, muscle car-like styling combined with a comfortable ride, predictable handling and reasonable fuel economy, the 2010 Dodge Avenger is the Dodge Charger of the mid-size sedan segment.

**ConsumerReports.org:** The Avenger has a good-sized trunk, and it can be expanded by folding one or both sections of the rear 60/40 seatbacks forward. The front-passenger seat also folds forward to accommodate longer items. Cabin storage is moderate, with clever features, including heated and cooled cup holders.

### Vehicle History Highlights: **CARFAX**

- CARFAX Buy Back Guarantee
- CARFAX No Total Loss Reported
- CARFAX No Frame Damage Reported
- CARFAX No Airbag Deployment Reported
- CARFAX No Odometer Rollback Reported

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
