Expert Reviews:

Edmunds.com: While the 2011 Chrysler 200 isn't a completely new vehicle, the upgrades here are so significant that we think it's now worthy of consideration for midsize sedan and convertible shoppers.

newCarTestDrive.com: Underneath, nearly everything has been stiffened, reinforced, or otherwise made stronger so that the four corner suspension systems can operate independently and accurately and provide a much better ride, quicker steering, and more responsive handling.

KBB.com: If you're looking for a mid-size sedan with a lavish interior, a powerful V6 engine and a decidedly European driving attitude, the 2011 Chrysler 200 deserves a nice, long test drive.

CarAndDriver.com: Interior upgrades, freshened exterior styling, options list includes a 30-gig music-storage hard drive.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
