Expert Reviews:

Edmunds.com: Lots of features for the price; strong V6 engine; composed ride and handling.

KBB.com: Sweeping, richly-textured, soft-touch surfaces display fewer seams but more chrome and metallic trim, elevating the 2013 Chrysler 200's cabin to Business Class if not First.

CarAndDriver.com: Better than the Sebring it replaced, attractive exterior, strong V-6 option.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
