Expert Reviews:

Edmunds.com: Lots of features for the price; strong V6 engine; composed ride and handling; available convertible model.

newCarTestDrive.com: Midsize sedans comprise America's largest market segment for cars, with 1.7 million units sold per year. The Chrysler 200 has an old-school feel all its own that separates it from these other cars.

KBB.com: If you're looking for a mid-size sedan with a stylish and well-appointed interior, a powerful V6 engine and a decidedly European driving attitude, the 2012 Chrysler 200 deserves a nice, long test drive.

CarAndDriver.com: The V-6 is a compelling choice, but the four is adequate and returns superior fuel economy.

All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
