JDPower.com Ratings:

- Automotive Performance, Execution and Layout (APEAL) Overall Rating

Expert Reviews:

Edmunds.com: Spacious cabin; high-quality interior; excellent electronics interface; efficient and quick turbo engine; strong value; ample safety features; short braking distances.

newCarTestDrive.com: The Dart makes a good case for itself with young parental types, thanks to an exceptionally roomy interior by compact sedan standards, and a respectable complement of standard safety features.

KBB.com: Based on an expanded Alfa Romeo Giulietta platform, the 2013 Dodge Dart features a super-rigid unit body rich in high-strength steel that gives it the kind of tight, solid feel typically associated with a larger car.

CarAndDriver.com: Interior volume of a mid-size car, manual transmissions for each of the three engines, attractively styled interior.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
