Expert Reviews:

Edmunds.com: Though more civilized than ever, the 2012 Jeep Wrangler remains a no-nonsense American icon. Its quirky character and unique off-road abilities continue to hold appeal.

newCarTestDrive.com: The 2012 Wrangler Unlimited four-door is totally civilized, thanks partly to the smoothness of the new engine.

KBB.com: If you enjoy the Jeep-specific pursuit of boulder hopping, this newest iteration of the Wrangler - and newish iteration of the four-door Unlimited SUV - won't disappoint.

CarAndDriver.com: A new 3.6-liter V-6 for 2012 brings much needed power and refinement. In either three-door or larger Unlimited guise, this Jeep promises serious off-road fun.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
