### Expert Reviews:

Edmunds.com: The materials in the 2014 Jeep Cherokee have a high-quality look and feel, and we're hard-pressed to name another small crossover that beats it for style.

newCarTestDrive.com: Behind the front seat, there's a lot of room and convenience for passengers and cargo. The 40.3 inches of rear legroom is nearly 2 inches more than big brother Grand Cherokee...The 60/40 rear seats fold flat in a heartbeat.

KBB.com: Not only can it climb mountains, but it offers creature-comforts that might well be the best in class. That's why we named it one of the 10 Best SUVs Under \$25,000 for 2014.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
