### JDPower.com Ratings:

- Automotive Performance, Execution and Layout (APEAL) Overall Rating

### Expert Reviews:

Edmunds.com: Thanks chiefly to its welcoming interior and athletic yet comfortable handling, the 2012 Dodge Durango is fully competitive against top crossover SUVs.

KBB.com: With the 2012 Dodge Durango, the company has managed to create a lighter, more fuel-efficient SUV without sacrificing the things full-size SUV buyers demand, namely room, comfort and power.

CarAndDriver.com: The three-row Durango was new last year and exchanged its truckish body-on-frame platform for the Jeep Grand Cherokee's carlike unibody structure.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
