Expert Reviews:

Edmunds.com: With its on-road refinement, well-trimmed cabin and traditional off-road ability, the 2012 Jeep Grand Cherokee is a fully competitive midsize SUV.

KBB.com: With a longer wheelbase the rear seat is made much more accessible, and once inside you'll enjoy expanded use of soft materials, real wood trim and a much more concerted effort to make the driver and passenger experience everything you'd want in a luxury SUV.

CarAndDriver.com: Sharing much with the Mercedes-Benz ML, the Jeep is a refined and luxurious SUV that looks elegant inside and out yet remains off-road ready.

Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
