Expert Reviews:

Edmunds.com: Apart from the versatile seating system, the 2006 Dodge Grand Caravan has many charms, among them a comfortable interior, good looks and an available power liftgate.

newCarTestDrive.com: Grand Caravan rides more softly than an SUV, gliding over potholes rather than trying to beat them into submission. It's an excellent choice when transporting passengers on beat up freeways and bumpy urban streets.

KBB.com: The second-row captain's-chair seating and DVD entertainment system will keep the kids away from each other when they get bored, and the Stow 'n Go seating lets you convert your family hauler into a cargo carrier with minimal effort.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
