### Expert Reviews:

Edmunds.com: Thanks chiefly to its welcoming new interior and balanced ride and handling, the 2011 Dodge Durango is now competitive against top crossover SUVs.

newCarTestDrive.com: Durango's interior now seats seven (except the Heat model) but it feels larger than before and looks better. Materials and fit-and-finish are miles ahead of its predecessor and remain wholly appropriate for the SUV mission.

KBB.com: Dodge has decided to reinvent the Durango, creating a smooth, roomy and efficient full-size SUV from a single unit body shared with the newly developed Jeep Grand Cherokee.

CarAndDriver.com: Attractive exterior styling, spacious and luxurious interior, available Hemi V-8, three-row seating.

### *JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

### *Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
