Edmunds.com: Still the king of big-truck attitude, the Ram 1500 can handle the diverse duties of comfortable daily driver and capable workhorse with equal ease.

newCarTestDrive.com: the Ram interior is quite nice and shows attention to details that add utility and convenience. The big fold-down center armrest/console comes with adjustable dividers and a power outlet. A hook on the passenger-side floor well is provided for securing a plastic grocery bag or anything else with suitable handles.

ConsumerReports.org: Ram had the largest cargo bed of the group and can tow more than 8,000 pounds.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
