Expert Reviews:

Edmunds.com: The Five Hundred succeeds on many fronts. It offers an expansive cabin, and with more than 40 inches of legroom in both the front and rear, there's ample room for four or five adults. There's plenty of room for their luggage as well, as trunk space measures 21 cubic feet, which is equal to what Ford's Crown Victoria offers.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
