### Expert Reviews:

Edmunds.com: Top crash test scores, long list of standard features and cutting-edge options, handsome and quiet cabin, humongous trunk, comfortable ride, available all-wheel drive.

newCarTestDrive.com: The Taurus is impressive, well-equipped and extremely competent, a charismatic full-size sedan that could establish Ford as America's premier auto manufacturer.

KBB.com: You might like the 2011 Ford Taurus if you want a roomy, comfortable sedan but also appreciate modern design, engaging handling and the latest technology.

CarAndDriver.com: The revitalized Taurus went from wallflower to wow last year, and rolls into 2011 as one of the best-looking family sedans.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
