Expert Reviews:

Edmunds.com: Along with providing the likable character of the standard Focus, the 2012 Ford Focus Electric makes electric vehicle ownership more enticing thanks to potential sub-4-hour recharge times.

newCarTestDrive.com: A lot of productive effort went into making the cabin silent, with sound insulation.

KBB.com: The 2012 Focus cabin sets off a decidedly premium flavor with loads of soft-touch surfaces and an abundance of effectively integrated sound-attenuation materials.

TheCarConnection.com: TheCarConnection's Best Car To Buy 2012 is the 2012 Ford Focus.

CarAndDriver.com: The interior looks just as sharp and modern as the new sheetmetal, and the Focus's European roots are apparent in its agility, solid structure, and premium options list, which includes a self-parking system.

Manufacturer's website: All-new chassis and suspension that's tighter and better than ever.

US News: Standard torque vectoring control - a first for a car in this class.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
