### Expert Reviews:

Edmunds.com: A slew of innovative high-tech features make the 2012 Ford Escape a tempting choice in the compact crossover category.

KBB.com: Like the rugged look of the old Ford Explorer and Jeep Cherokee, but don't want to deal with the truck-like ride, poor fuel economy and bulky size? The 2012 Ford Escape offers all the creature comforts of a car with the tall ride height and AWD ability of an SUV.

CarAndDriver.com: Offering two engine choices, as well as a hybrid option for the Escape, they're distinguished by trucklike styling, brisk performance, and strong fuel economy.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
