### Expert Reviews:

Edmunds.com: Refined and quiet ride; powerful and efficient engine lineup; handsome and functional cabin; innovative electronics features; useful tailgate step; available special-edition models.

newCarTestDrive.com: Smooth and quiet, the F-150 is comfortable on bumpy streets around town, over rugged terrain like construction sites, farms and utility roads, and on the open highway.

KBB.com: If you want a truck with serious towing and payload capabilities, yet as quiet and comfortable as many luxury sedans, then the F-150 should surely be on your shopping list.

CarAndDriver.com: On-road or off, the F-150's rigid chassis has made it one of the most competent and comfortable full-size pickups. The addition of more muscle makes it more fun to drive.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
