Expert Reviews:

Edmunds.com: Upscale interior design; lively yet efficient turbocharged engine; Eco model's high fuel economy; secure handling; top safety scores; big trunk.

newCarTestDrive.com: Cruze is conservatively styled, to be sure, but in our opinion it's a well designed, handsome car. Its interior is one of the roomiest in its class, with acceptable space for four adults, and it's also one of the nicest.

KBB.com: The Cruze is a fresh entry into the increasingly competitive compact segment, offering a fuel-efficient turbocharged engine, a refined and quiet interior, and plenty of driver-pleasing techno-features.

CarAndDriver.com: Attractive cabin, tasteful styling, fuel-sipping turbocharged engine, refined demeanor, lengthy safety-equipment list.

Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
