Edmunds.com: The V6 offers plenty of torque down low for easy passing and merging. The suspension returns a surprisingly sporty ride, and the solid structure helps make the interior a serene place to spend time.

newCarTestDrive.com: The Pontiac G6 models are attractive cars. They have the smooth styling of the latest-generation Pontiacs, sharing cues with the Solstice roadster and other models and sort of a Lexus/Toyota look from the rear.

KBB.com: The G6's sport suspension strikes a pleasant balance between performance and comfort.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
