Expert Reviews:

Edmunds.com: Elegant interior styling; smooth and quiet ride; admirable driving dynamics; hybrid's respectable fuel economy; good performance from V6 models; available all-wheel drive; top crash-test scores.

newCarTestDrive.com: Sweeping lines, soft-touch materials and genuine stitching define the dash and doors. Chrome and wood trim are used tastefully, and the materials in the headliner and upper parts of the cabin have a premium look and feel.

KBB.com: You barely notice the engine shutting down during stops (the tachometer needle drops to an "auto stop" position) or restarting - without the shudder typical of some hybrids - when the brake is released.

CarAndDriver.com: Redesigned last year, the LaCrosse is a comfortable and quiet sedan that looks good inside and out.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
