Expert Reviews:

Edmunds.com: design is attractive and a pleasing mix of simulated wood and metallic accents gives the cabin an upscale ambience, while acoustic glass for the windshield and front windows contributes to the serenity

newCarTestDrive.com: The fully independent suspension on the Aura splits the difference between ride quality and handling, both of which are quite good. While handling feels much like that of the Saab 9-3 with which the Aura shares its architecture, the ride quality is more like that of a Toyota Camry, known for its smoothness.

KBB.com: Aura is distinguished by big, expressive headlamps, a sleek profile with sharply-defined fender flares and distinctive LED taillamps. Build quality is quite good

ConsumerReports.org: The Aura XE rides firmly but compliantly and shrugs off most road bumps well. The highway ride is steady and controlled. Its cabin stays very quiet, with a mix of engine hum and suppressed road and wind noise

Vehicle History Highlights:

- CARFAX Buy Back Guarantee
- CARFAX No Total Loss Reported
- CARFAX No Frame Damage Reported
- CARFAX No Airbag Deployment Reported
- CARFAX No Odometer Rollback Reported

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle.
