### Expert Reviews:

Edmunds.com: Seating for up to nine passengers; class-leading interior space; smooth road manners; attractive interior with quality materials; powerful 6.2-liter V8 in the Denali.

newCarTestDrive.com: The instruments and gauges are among best in class, elegantly clean yet very functional. Interior small items storage is intelligently designed and all over, including a huge center console.

KBB.com: The 2012 GMC Yukon and Yukon XL deliver a rather confident and civilized ride, with handling aided by numerous sophisticated electronic and mechanical suspension components.

CarAndDriver.com: Big-SUV shoppers love the Suburban and Yukon XL for their blend of pickup-truck capability and vanlike passenger-hauling utility.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
