### Expert Reviews:

Edmunds.com: Chevrolet has tuned the Uplander's suspension to provide a smooth ride and a moderate level of dynamic handling ability.

newCarTestDrive.com: The strength of the Chevy Uplander lies in its value. Comparably equipped, the Uplander sells for thousands less than class standards such as the Honda Odyssey and Toyota Sienna.

KBB.com: GM says it is dedicated to improving the interior quality of its cars, and the Chevrolet Uplander proves it. French-stitched seams on the door panels and seats, a gorgeous dash and instrument cluster design and a hefty dose of sound deadening insulation make life with the Uplander a thoroughly pleasant experience.
