Expert Reviews:

Edmunds.com: Essentially in a class of its own, the 2013 Cadillac Escalade ESV provides an abundance of passenger and cargo space along with impressive towing capability.

KBB.com: The heart of the Escalade Hybrid is a 6.0-liter V8 that feels as responsive and powerful as the conventional V8, yet it returns a 33-percent improvement in city fuel economy.

CarAndDriver.com: Like the regular-wheelbase model, the Suburban-length ESV packs a strong V-8 that sounds delightful.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
