Expert Reviews:

Edmunds.com: Ample passenger space; excellent visibility; good fuel economy in four-cylinder model; available coupe body style; high resale value.

newCarTestDrive.com: There may be none that match Accord's overall combination of polish, refinement, efficiency and choice. For that reason, the Honda Accord remains a benchmark among mainstream, midsize automobiles.

KBB.com: The Honda Accord continually tops the charts for safety, reliability and strong resale, and its fuel-efficient 4-cylinder engine remains one of the best in the industry.

CarAndDriver.com: Larger than previous Accords, the current version combines value, frugality, space, and sportiness in a way that the competition is now only starting to figure out.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
