### Expert Reviews:

Edmunds.com: Ample passenger space; excellent visibility; good fuel economy in four-cylinder model; available coupe body style; high resale value.

newCarTestDrive.com: The Accord is big on efficiency, getting the most power and range from a gallon of gas with the least emissions.

KBB.com: With styling and performance that splits the difference between sportier and softer, the Honda Accord embodies the very balance that attracts so many buyers to the mid-size sedan segment in the first place.

CarAndDriver.com: Lots of room inside, excellent engines run on regular-grade fuel, great road manners, quality materials.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
