### JDPower.com Ratings:

- Initial Quality Survey (IQS) Overall Rating

### Expert Reviews:

Edmunds.com: Ample passenger space; excellent visibility; good fuel economy in four-cylinder model; available coupe body style; high resale value.

newCarTestDrive.com: There may be none that match Accord's overall combination of polish, refinement, efficiency and choice. For that reason, the Honda Accord remains a benchmark among mainstream, midsize automobiles.

KBB.com: The Honda Accord continually tops the charts for safety, reliability and strong resale, and its fuel-efficient 4-cylinder engine remains one of the best in the industry.

CarAndDriver.com: Larger than previous Accords, the current version combines value, frugality, space, and sportiness in a way that the competition is now only starting to figure out.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
