Expert Reviews:

Edmunds.com: While a bit more civilized for 2011, the Jeep Wrangler remains a no-nonsense American icon. Its quirky character and unique off-road abilities continue to hold appeal.

newCarTestDrive.com: Few vehicles are better off the pavement than a Jeep Wrangler. This is the one credited with starting it all. Traceable to the original Jeep, the Wrangler is the very symbol of off-road capability.

KBB.com: Credit a vastly improved structure for the improvements to its handling and the contributions those handling improvements have made to active safety - the all-important ability to avoid an accident before it happens.

CarAndDriver.com: It is highly capable in either two-door or larger Unlimited guise, the latter offering the only four-door/convertible-top combo on the market.

Vehicle History Highlights:

- CARFAX 1-Owner
- CARFAX No Frame Damage Reported
- CARFAX Buy Back Guarantee
- CARFAX No Airbag Deployment Reported
- CARFAX No Total Loss Reported
- CARFAX No Odometer Rollback Reported

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
