### Expert Reviews:

Edmunds.com: Unlimited is noteworthy for being the first Wrangler model to offer a modicum of practicality, with four doors and a usable backseat and trunk. Not only can you venture to the Rubicon Trail, you can venture to Rubio's Mexican Grill with four friends as well.

newCarTestDrive.com: The larger Unlimited offers more than 80 cubic feet of cargo space with the rear seat folded flat. The headrests flip back, so they don't need to be removed, making it easy to switch between cargo and rear-seat-passenger modes. In the rear seat, the Unlimited offers 1.6 more inches of leg room and a whopping 12 inches more hip room than two-door models.

KBB.com: A short wheelbase, solid front and rear axles and renowned all-wheel-drive systems combine in a perennial favorite of rock crawlers, mudders and light off-roaders alike.

ConsumerReports.org: The Wrangler performed very well on our challenging rock hill and off-road courses with excellent ground clearance and traction.

### Vehicle History Highlights:

- CARFAX Buy Back Guarantee
- CARFAX No Total Loss Reported
- CARFAX No Frame Damage Reported
- CARFAX No Airbag Deployment Reported
- CARFAX No Odometer Rollback Reported
- CARFAX No Accidents / Damage Reported

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
