### Expert Reviews:

Edmunds.com: If you're looking for the most invigorating exposure to the great outdoors this side of a dual-sport motorcycle, this is your ride.

newCarTestDrive.com: The comfortable high-back front seats offer more shoulder and hip room than previous-generation models, and the removable rear seat provides more shoulder, hip and leg room for each of the two passengers. There's also more space behind the rear seat, which folds to provide nearly twice the cargo capacity as before.

KBB.com: A short wheelbase, solid front and rear axles and renowned all-wheel-drive systems combine in a perennial favorite of rock crawlers, mudders and light off-roaders alike.

ConsumerReports.org: The Wrangler performed very well on our challenging rock hill and off-road courses with excellent ground clearance and traction.

### Vehicle History Highlights:

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
