### Expert Reviews:

Edmunds.com: If you venture off the beaten path with regularity, the Patriot will get the job done like few others in its class.

newCarTestDrive.com: The cabin layout is functional and roomy. The black dashboard and instrument layout is simple, and the gauges are a tidy white on black with glowing orange needles. The climate and sound system controls are easy to understand and operate.

KBB.com: Whether you're looking for a daily driver with a rugged streak or a nimble off-roader that you can comfortably take to work, there's a Jeep Patriot model for you.

ConsumerReports.org: Folding the 60/40-split rear seats makes a pretty good space for cargo. Folding the rear seats is simple: Just pull the releases and the seatbacks will fold down.
