Expert Reviews:

Edmunds.com: The 2012 Nissan Altima is a solid pick for a midsize sedan or coupe, particularly if you're looking for something with some sporting flair

newCarTestDrive.com: Drivers who put an emphasis on value for the money with a sportier feel than the average midsize car will find the Nissan Altima worth a look.

CarAndDriver.com: It isn't ugly (much of its competition is), plenty of space inside, efficient four-cylinder engine, sporty handling.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
