Expert Reviews:

Edmunds.com: The 2011 Nissan Altima is a solid pick for a midsize sedan or coupe, particularly if you're looking for something with some sporting flair.

newCarTestDrive.com: Nissan Altima models get high marks for safety; standard equipment includes a full complement of airbags, anti-lock brakes, Nissan's Vehicle Dynamic Control (VDC) and Traction Control.

CarAndDriver.com: With a big back seat, a sporty and firm chassis, and handsome styling, the Altima has carved out a sizable niche in the mid-size-sedan class.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
