### Expert Reviews:

Edmunds.com: Continues to offer a respectable combination of performance, luxury and space.

newCarTestDrive.com: You can keep the engine at high revs to extract the most acceleration on challenging roads, or you can lug it along at a cruising pace without concern. It's a great engine, and is considered one of the best V6s available from anyone.

KBB.com: If you're looking for a front-wheel drive sedan with genuine sporting character, unique style and loads of outstanding features, the Maxima could well feel right at home in your garage.

ConsumerReports.org: We like its quick, refined powertrain and roomy interior, and reliability is likely to be above average.

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
