### Expert Reviews:

newCarTestDrive.com: The new Stow 'n Go seating design makes it more versatile than the competition' Chrysler's new second- and third-row seats fold perfectly flat, flush with the floor.

KBB.com: If you've found the ride and handling of other minivans too soft or too firm, you might appreciate the Chrysler minivans' balance between highway comfort and around-town responsiveness. We also appreciated the surprisingly competent steering and braking response.

### Vehicle History Highlights:

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
