### Expert Reviews:

Edmunds.com: For those who yearn for the good ol' days of good ol' boys and good ol' horsepower, the Charger's big-time power and brash styling represent a welcome revival.

newCarTestDrive.com: Mercedes engineers could learn something from Dodge. Pedal feel is firm, braking is reassuringly linear, and there's no perceived interference from the electronic watchdogs, yielding smooth, controlled stops.

KBB.com: Dodge Charger merges American styling and muscle with suspension and transmission technology borrowed during the short-lived merger between Daimler and Chrysler. The result yields a car that can outrun just about everything in its price class and several others costing tens of thousands more.

ConsumerReports.org: The brakes stopped the Dodge in very short distances. Low- and high-beam headlights reach a good distance.

### Vehicle History Highlights:

- CARFAX Buy Back Guarantee
- CARFAX No Total Loss Reported
- CARFAX No Frame Damage Reported
- CARFAX No Airbag Deployment Reported
- CARFAX No Odometer Rollback Reported
- CARFAX No Manufacturer Recalls Reported

*JDPower.com Power Circle Ratings*

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

*Expert Reviews*

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
