Expert Reviews:

Edmunds.com: Comfortable ride; quiet interior; powerful engines; upscale interior materials; generous features list; high-quality sound systems; available all-wheel drive.

newCarTestDrive.com: A new, optional navigation system is the best we've ever seen, with a large, 8.4-inch screen that's easily understood at a glance and easy to operate. We highly recommend opting for it.

KBB.com: Among its competitors, including the Ford Taurus, Toyota Avalon and Buick LaCrosse, only the 2012 Chrysler 300 sedan offers the superior handling that comes from a rear-drive platform.

CarAndDriver.com: Redesigned last year, the big 300 sedan marches into 2012 with a new, more powerful offering?the 470-hp SRT8? and an eight-speed transmission for V-6 models.

Vehicle History Highlights:

- CARFAX 1-Owner
- CARFAX No Frame Damage Reported
- CARFAX Buy Back Guarantee
- CARFAX No Airbag Deployment Reported

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
