Expert Reviews:

Edmunds.com: The 2013 Chrysler Town & Country offers a strong engine, confident handling and a well-trimmed cabin.

KBB.com: If you haven't driven a Town & Country since its transformation in 2011, it's worth some time behind the wheel. The revamped suspension provides excellent road manners, with precise steering, minimal body roll and a velvety ride.

CarAndDriver.com: Now back up in the top minivan rankings after a recent update, the Chrysler Town & Country drives with more precision, has a better interior, and is still hugely practical.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
