Expert Reviews:

Edmunds.com: Quiet and attractive cabin; sophisticated ride; strong crash test scores; roomy backseat; plenty of standard and optional features; good fuel economy.

newCarTestDrive.com: We found the interior of the GMC Terrain comfortable and quiet, well isolated from the noise and chop of the roadway.

KBB.com: If you're looking for five-passenger CUV that gets great gas mileage yet has the rugged look and feel of a mid-size GMC truck, the Terrain deserves a long test drive.

CarAndDriver.com: Well packaged and nicely equipped, bigger than competitors, solid brakes, decent ride and handling.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
