Expert Reviews:

Edmunds.com: The star of the show is definitely the Stow 'n Go fold-flat seating and storage system, which provides a perfectly flat load floor when the seats are stowed, along with numerous storage compartments.

newCarTestDrive.com: The Stow 'n Go seating system, standard on Grand Caravan SXT and optional on Grand Caravan SE, is the best seating setup on the market. The second and third rows of seats fold flat into the floor leaving a perfectly flat platform for cargo. Folding and unfolding the seats is a quick three-step process.

KBB.com: The second-row captain's-chair seating and DVD entertainment system will keep the kids away from each other when they get bored, and the Stow 'n Go seating lets you convert your family hauler into a cargo carrier with minimal effort.

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
