Expert Reviews:

Edmunds.com: A comfortable cabin and a smooth ride make the 2010 Chevrolet Impala an appealing large family sedan.

newCarTestDrive.com: We find the Impala's neat, clean lines pleasing to the eye. Its styling looks contemporary, handsome, and clean. Inside, there's lots of room, in the front as well as the back seats, and getting in and out is easy.

KBB.com: If you're in search of a big, roomy sedan that won't break the bank, the 2010 Chevrolet Impala will thoroughly meet your needs and probably exceed your expectations.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.

Expert Reviews

Expert Reviews are excerpts from reviews and automotive awards from sites across the internet. The sites include newCarTestDrive.com, Edmunds.com and other similar sites.

The positive Expert Reviews are only excerpts of the full article or review. The full article may contain additional comments, both positive and negative, regarding the vehicle. For a more complete understanding of the scope of the review, you should read the entire review or award, which can be obtained from the referenced site.
