Edmunds.com: In addition to a spacious cabin, the Impala has excelled at providing reliable and peppy performance, a quiet cabin and a soft ride.

newCarTestDrive.com: We find the Impala's neat, clean lines pleasing to the eye. Its styling looks contemporary, handsome, and clean. Other people must think so as well, as the Impala is among the top-10 best-selling cars in the U.S.

JDPower.com Power Circle Ratings

Power Circle Ratings (the Ratings) are developed by J.D. Power and Associates for JDPower.com. All Ratings are based on the opinions of consumers who have actually used or owned the product or service being rated. Since the Ratings are based on J.D. Power and Associates research studies that survey a representative sample of owners, they are indicative of what typical buyers may experience.

High ratings for a particular product/service/company do not necessarily mean that every customer will have a positive experience. It simply indicates that, on average, consumer perceptions of the product/service/company indicate that it stands out when compared with competitive products/services/companies.
